Two days were spent in Richmond at the conference. A report was made in Assembly on Wednesday by the three students attending.

RED CROSS DRIVE IS SHORT OF GOAL

Only $1,023.83 has been turned in to date in the annual Red Cross drive in Appomattox County. Goal for the drive is $2,065.00. An urgent appeal is being made that the public respond to the needs of the Red Cross and put the county over the top in its quota.

Workers yesterday issued the following statement:

"Membership in the Red Cross is assurance that no matter what happens in this uneasy world, you are not alone. Working with you, serving with you—and for you—are millions of your neighbors. You join a fellowship dedicated to the relief of human suffering. Your effort—your contribution—no matter what its extent, becomes a great, meaningful force because it is strengthened and supported by many others who also join and serve."

Mrs. Mary S. Hudson, Appomattox, Va., is treasurer for the drive.

SATURDAY IS CRIPPLED CHILDREN'S DAY

An appeal is being made for the Virginia Society for Crippled Children and Adults.

Dr. Aubrey M. Keesee is president of the local committee; Mrs. Hazel R. Mann, vice-president. They are in charge of the Easter Lily Sale for the organization. T. DeWitt Evans is serving as treasurer. Easter Seals are being mailed.

Governor Thomas B. Stanley has joined with the Virginia Society for Crippled Children and Adults in designating Saturday, April 2, as Crippled Children's Day throughout Virginia.

The Governor issued a statement from his office in Richmond urging all citizens to observe the day by their support of the special activities planned for the occasion.

In Virginia, the principal activity will be lily "parades" or sales, when hundreds of high school and college girls will sell paper Easter lilies on the streets of cities and towns throughout the state.

Appomattox voters were given another contest today, as J. Alex Bingham announced as a candidate for county sheriff. He will oppose the incumbent, David T. Robertson, in the Democratic Primary Election of July 12.

Contests have already been announced for county treasurer, commissioner of the revenue, and supervisor in the Stonewall District.

Mr. Bingham is a retired Lieutenant, Virginia State Police. He began police work in 1922 as an inspector. He was promoted to lieutenant in 1930 and assigned to the Central Virginia territory. In 1942 he became a Special Investigator of the Virginia Department of State Police.

It had been reported here for several weeks that Mr. Bingham planned on seeking the office of sheriff, but he made formal announcement to the Times-Virginian this week.

His opponent, Mr. Robertson, was appointed by the court to serve out the term of the late H. W. McKinney, and then four years ago won election for a full term.

Both of these contestants are popular and experienced police officers.

Abbitt Announces

Commonwealth Attorney George F. Abbitt, Jr. informed the Times-Virginian this week that he would be a candidate for re-election. It is considered certain that he will not have opposition.
